Found in version:	4.1.0			

Description

In the saved description text of the SE "find", some part of a code is showing.:
Probably a connection to the show more/ show less function?

History

#1 - 2020-02-11 15:57 - Alexander Watzinger

- Found in version set to 4.1.0

- Target version set to 5.0.0

- Assignee changed from Alexander Watzinger to Christoph Hoffmann

- Status changed from New to Assigned

- Category set to UI

- Subject changed from Code is showing in the saved description text to HTML Code is showing in description text

- Tracker changed from Feature to Bug

Thank you for reporting - this looks indeed like an interesting bug. It is connected to the show more/less which should be rewritten (in master at /openatlas/static/js/functions.js line 94).

It can be reproduced with following text (it seems in this situation the text is split exactly in an "<br>" tag):

```
Necklace out of a variety of beads.

1 mosaic eye bead, type 1272
1 silver coloured hollow bead, with two segments
2 gold coloured hollow beads, with two segments
1 dark blue cylindrical bead, with five segments
1 dark blue cylindrical bead, with four segments
2 dark blue cylindrical beads, with two segments
2 silver coloured cylindrical beads, with two segments
1 fragmented silver coloured cylindrical beads, with two segments
1 fragmented silver coloured drawn multibead
1 fragmented silver coloured segmented bead, with two segments
1 gold coloured double pearl
17 dark blue disc beads
6 green disc beads
2 light blue disc beads
1 yellow disc bead
1 fragmented globular bead made from organic material
1 green disc bead
1 blue disc bead
1 fragmented gold coloured cylindrical bead, with an organic core
1 green disc bead
1 blue globular bead
1 blue, irregular shaped cylindrical bead
1 dark green elongated pearl with rectangular cross-section, cone shaped
1 gold coloured fragment of a cylindrical bead
```

#2 - 2020-02-14 09:52 - Sonja Mayer

FYI: I have updated the description text and added a few words. Bug is now no longer visable.

#3 - 2020-02-18 18:24 - Christoph Hoffmann

- Status changed from Assigned to Resolved

fixed in feature_bootstrap

#4 - 2020-03-01 02:07 - Alexander Watzinger

- Status changed from Resolved to Closed

Tested and works in 5.0.0 as expected.

Thanks Sonja for reporting and Christoph for fixing, closing issue.
