

## OpenAtlas - Feature #1690

### Forms: add types dynamically

2022-04-08 14:55 - Alexander Watzinger

<b>Status:</b> Closed	<b>Start date:</b> 2021-09-20
<b>Priority:</b> Normal	<b>Estimated time:</b> 0.00 hour
<b>Assignee:</b> Andreas Olschnögger	
<b>Category:</b> UI	
<b>Target version:</b> 7.5.0	
<b>Description</b> It may happen that user want to add possible missing types while entering data. Currently they have to go the type page, add/adapt one and than begin data entering again (or refresh the page) and may loose already entered (but not saved) data.  From now on users (with required permissions) can click on the "+" sign beside the search filter in the popup and create a new type with basic information like name, super, description. Once created it will be automatically selected.

- Description updated

#### #2 - 2022-04-08 14:59 - Alexander Watzinger

- Status changed from Acknowledged to Assigned

- Assignee set to Andreas Olschnögger

Because this definitely exceeds my frontend develop capabilities I'm assigning this to Andi. But because it's also closely related to backend functionality we could work on this together.

#### #3 - 2022-04-08 15:02 - Alexander Watzinger

- Start date changed from 2022-04-08 to 2021-09-20

- Follows Feature #1581: Upgrade Bootstrap to 5 added

#### #4 - 2022-04-08 15:06 - Alexander Watzinger

- Precedes Feature #1400: Make specific types required at data entry added

#### #5 - 2022-05-04 15:40 - Bernhard Koschiček-Krombholz

- Target version changed from 7.3.0 to 7.4.0

#### #6 - 2022-05-30 16:17 - Alexander Watzinger

- Description updated

#### #7 - 2022-05-30 16:17 - Alexander Watzinger

- Description updated

#### #8 - 2022-06-08 11:05 - Alexander Watzinger

- Target version changed from 7.4.0 to 7.5.0

#### #9 - 2022-08-10 16:51 - Alexander Watzinger

- Description updated

- Status changed from Assigned to Closed

Already implemented in develop, thanks a lot Andi.
