

OpenAtlas - Bug #670

Group has a gender option

2016-03-28 09:03 - Daniel Kittel

Status:	Closed	Start date:	2016-03-28
Priority:	Low	Estimated time:	0.00 hour
Assignee:	Alexander Watzinger		
Category:	Frontend		
Target version:	1.4.1		
Found in version:	1.4.0		

Description

This is not shown during the creation of the group, but clicking on the group after creation and then on "Edit" will also show an entry for "Gender".

This entry is IMHO not required as a group can consist of male & female persons.

Also the "Gender" entry / field does not work when clicking into it.

History

#1 - 2016-03-28 11:13 - Alexander Watzinger

- Tracker changed from Feature to Bug
- Subject changed from Group has "Gender" entry to Group has a gender option
- Category set to Frontend
- Status changed from New to Closed
- Assignee set to Alexander Watzinger
- Target version set to 1.4.1

This was a bug. Gender options should not be available for groups. Thanks for reporting.

Fixed in version 1.4.1

#2 - 2016-04-04 20:20 - Alexander Watzinger

- Found in version set to 1.4.0
